

2011 Football Season Pass Information – Band Section Seating

*Join us in the Band Section, meet band families, and cheer for the Purple Regiment!

*Season Pass - \$35 for five regular season home games (does not include playoff games)

*Seating will be in the Band Section (across the aisle - beside the band) Rows M and up.

*All rows lower than M will be General Admission seating. However, if you prefer lower seating, you may still purchase a season pass and sit in the lower, General Admission rows on a first come/first serve basis. Please keep in mind these lower rows may be reserved, on occasion, for student seating during special events such as Homecoming and Senior Night.

*I will collect orders at the band meeting on Thursday, July 28th. I will also be available to collect orders, at the band practice field area, during evening Band Camp August 1st – 5th. You may also drop your order in the Purple Box, which is located in the band room, anytime through August 12th.

*After collecting orders, I will obtain passes from the athletic office and will have them for pick-up during the Tuesday evening band practices after school begins. I will send an e-mail or call with the pick-up dates. Band Section passes are not available for pick up at *Meet the Trojans*. I will distribute the passes to you.

Thank you. Please contact me if you have any questions.
